

Graduate Programs

College of Engineering and Computer Science

Degree: Master of Science (M.S.)

Major: Data Science and Analytics

Concentration: Data Science and Engineering

Important information about applying to Graduate School:

Official Transcripts: Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our website: fau.edu/graduate/apply.

Supporting documentation: Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

Conduct: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

Application status: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.

Residency classification: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
